Over the Counter(Non-prescription) Allergy Eyedrops

The following are all the same drug -**Ketotifen fumarate**. They are just different brand names; all have a twice a day dosage and all cost \$10 to \$20 per bottle.

Ketotifen Fumarate - by Akorn

Zaditor - by Alcon/Novartis

Alaway - by Bausch & Lomb

Claritin Eye - by Apotek/Schering Plough

Zyrtec Eye Drops - by McNeil/Johnson & Johnson

The following are all the same drug combination - **Naphazoline & Pheniramine** - with different brand names. Dosage is four times per day.

Naphcon-A - by Alcon/Novartis

Opcon-A - by Bausch & Lomb

Visine-A - by McNeil/Johnson & Johnson

Homeopathic:

Active Ingredients: Apis, Euphrasia, Sabadilla

Similasan Allergy Eye Relief - bottles

Similasan Allergy Eye Relief - Preservative Free Vials

Prescription Allergy Eyedrops

The two most commonly prescribed drugs are popular because they are both one drop per day dosage. However, the retail cost is usually more than \$100 per bottle.
